### Glossary of frequently used terms

**Branch** - ODHS office most closely associated with the case primary participants. Cases may have more than one associated branch.

**Case** - GAO's complete record of working with individuals through their ODHS concerns. Cases are finite and concern-specific.

**Concern** - GAO's system for categorizing and tracking common ODHS concerns.

**Finding** - the specific outcome of GAO's resolution. These are fully defined on the right of this page.

**Information Only** - a type of GAO case where GAO recognizes the concerns as outside of ODHS' jurisdiction or it is a concern previously reviewed by GAO. Typically no concerns or findings will be recorded for 'Information Only' cases.

**Primary participant** - the main individual alleged to have been affected by ODHS action or inaction. GAO tracks all other relevant participants but will designate one as primary.

**Program** - the ODHS division most associated with the primary participant's concerns.

**Recommendation** - GAO shares case recommendations with the most appropriate level of management for resolution. Recommendations are often not formal.

**Reporter** - the individual who brought the concern to GAO's attention.

**Resolution** - overall outcome of GAO's involvement in assisting a reporter or primary participant.

### GAO Findings Defined

Findings may fit in two categories, educating the public or resolutions that follow an investigation:

#### Educating the Public Findings

The outcome of case concerns that did not result in an investigation.

**Inquiries**- Not about an ODHS program, non-jurisdiction issues and child custody matters.

**Consultation**- Provide policy education, assist the individual in problem solving solutions to their concerns.

#### Case Resolution Findings

The outcome of case concerns that GAO performed further research and review.

**Valid/Resolved**—complaints are those that the Ombuds has determined have merit, and changes have been or are being made by ODHS.

**Valid/Not Resolved**—complaints that the Ombuds have determined have merit, but have not been resolved for the following reasons: 1. *Action cannot be undone*—the issue could not be resolved because it involved an event that had already occurred. 2. *Dept. disagrees with Ombuds*—the Department disagreed with the Ombuds' recommendation and would not make changes. 3. *Change not in the client's best interest*—making a change to correct a policy or practice violation is not in the client's best interest. 4. *Lack of Resources*—the Department agreed with the Ombuds' recommendation but could not make a change because no resource was available.

**Not Valid**—complaints are those that the Ombuds has reviewed and has determined that the Department was or is following policies and procedures.
